Greetings . . .

It is with pleasure we send this price list into your home for your consideration.

We want to express our sincere thanks to our many customers both old and new, and for the orders for bulbs that we received, and the many nice letters, and feel assured we will do our best to please you with quality bulbs and over count.

As satisfied customers are the best advertisement for any business, we add some new varieties every year, but cannot grow all the good Glads that are on the market. Hope we may have the privilege of serving you this year. We had a rather dry summer but enough rain to make as fine a crop of bulbs as we have ever harvested.

Inspection No. 213.

Our bulbs were inspected while growing, also in storage and have passed with an O. K.

ORDER EARLY—Please send order early to avoid disappointment, as many varieties will be sold out early. We ship as soon as weather permits.

PRICES AND TERMS—Full remittance should accompany all orders. All orders for less than $1.00, please add 15c to cover postage, all orders over $1.00 will be sent postpaid if taken from the retail list.
